Applications: Git Bash, Insomnia, MongoDB Compass, VS Code.

EXPERIENCE

Head Chef/Admin   2014 – 2021
Australian Venue Company - Grand Junction Tavern
Adelaide, SA

In this role I was responsible for the management and success of the food sales for the hotel as well as the staff assigned to the department. The use of communication skills was paramount for the management and co-ordination of staff, as well as other skills such as time management, multi-tasking, cost-analysis and gross-profit calculations, staff rosters, sales projections, budget tracking and monthly stocktakes.
Key Accomplishments:
- *Award for best Take-Away restaurant in Pennington*
- *Maintained a government issued 5 Star health rating for 5 consecutive years*

Chef/Admin/Food and Beverage Attendant/Gaming Manager
2021 – Current
Australian Venue Company - Hope Inn
Adelaide, SA

In my current role I am responsible for maintaining whatever department I am assigned to, be it kitchen duties as a Chef, customer relations and H&L knowledge as a FOH Attendant, Invoicing and sales projections as Admin, or gaming machine maintenance and TAB knowledge as a Gaming Manager. In order to work across multiple departments in this way, I have had to skill up in multiple disciplines and maintain current knowledge of all areas of the hotel.
